Victims, who complain.

Victims, who are scared.

Victims, who Give Up.

Limiting your potential to be limitless

Limitless from Beyond.

It is an internal battle,

You have to fight against

Your old self

In order, to transform from a nobody to somebody

To rise from obscurity to prominence

To go from being unknown to becoming known

You need to embody the change within yourself

More than

I need to influence it upon you.

Therefore.

“Be the wolf, in the herd of sheep”

Lead the way, take the leap

Don't be afraid to stand out

Be bold, be brave and never doubt.

The sheep may follow or they may not.

But you will be proud of what you've got

A leader, a fighter, a force to be reckoned.

A wolf in the herd, A legend”

Best,
